

Ordinance 9-5-07

Town of Saratoga

Ordinance to Amend the Building Code Ordinance 03-21-07A

The Saratoga Town Board, County of Wood, do hereby ordain and amend the Building Code Ordinance as follow:

Section 3.2 Accessory Building

A. The same setback requirements as dwellings shall apply to accessory buildings, except that the setback to the rear lotline is reduced to nine (9) feet.

Section 3.3 Definitions

A. Lot line. A lot line is the line dividing one parcel of land from an adjoining lot. Where a lot abuts a roadway or other public property, the lot line shall be that line separating the parcel of land from any land dedicated as road right-of-way.

B. Accessory Building. An accessory building shall be any structure which is not the principal use of the parcel of land. (e.g., generally, a house would be considered a principal building; a detached garage or storage shed would be an accessory building.)

C. Setback Line. The setback line is the line beyond which no portion of a building may extend, as specified in this section.

This amendment to the Building Code Ordinance shall take effect and be in force from and after the 5th day of September, 2007.

Passed, approved, and adopted by the Town Board of the Town of Saratoga, Wood County, Wisconsin on the 5th day of September, 2007.
