The Saratoga Town Board met at 6:00 p.m. in the town hall. Chairman Rickaby called the meeting to order. Supervisors Forbes and Nelson were absent. The meeting was officially noticed.

The board was meeting with a lawyer from Nash Podvin Law to discuss the case with Plum Creek. The lawyers have tried to contact our insurance company several times to see if an appeal case would be covered, but have gotten no response. The Clerk will check with our agent.

Since we would be discussing information that would be confidential in this case, a closed session meeting will be set in the following weeks to discuss the case further.

Frank made a motion to adjourn the meeting. Passineau seconded it. Motion passed. The meeting adjourned at 6:35 p.m.
