Richard Hansen, 9663 Hollywood Rd, requested a variance to build 3 foot from his lot line. He has a written statement from his neighbor that says he is okay with a building closer to the lot line. Forbes made a motion to grant the variance. Nelson seconded it. Motion passed.

Scott Smith, 7921 Pine Haven Ct, requested a variance to build closer to his side lot line and to an access road. He has a written statement from his neighbor that says that he may build closer to the lot line. The building would be 18 inches from lot line he shares with his neighbor. He would also like to build 6 foot from the road right of way. The road is an access road that would never be developed any further, since there is a very steep drop off at the end of the road. Nelson made a motion to approve the two variances. Forbes seconded it. Motion passed.

David Ryun gave the Constable's report. Gene Dahlman's warning expires today. If he does not have his cars removed or in a building a citation will be sent.
